A new Piano, Anthony Steel, classical pianist Thomas Saunders and the opening of an Art Exhibition meant that our Programme Launch for 2008 was one of the most exciting to date.

Future Performers , Artists and Members

Anthony Steel AM

STARS members responded generously to STARS Piano Sponsorship pledging support of approximately \$800.00 with more to come. Thank you for your generosity and don't forget that sponsorship over \$25.00 will be recorded on the Piano Roll.

It was very pleasing to introduce so many of our forthcoming entertainers to the audience, including Liana Vargos, Helen Woods, Celine Donegan, Brian Chatterton, Minas Berberyan, Julia Henning and friends, Greg John and many more.

2008 promises to be a good year and in addition to the new piano, STARS will be making many improvements to Waverley Homestead to make it a more comfortable venue for everyone.

## "Y2K" A FRINGE EVENT

At Waverley Homestead

Sat. 1st March & Sat. 8th March At 2.00pm  
 Fri. 29th Feb. & Sat. 1st March At 7.00 pm  
 Fri. 7th March & Sat. 8th March At 7.00 pm

"Who is to say that anyone exists?" It is 1999; conspiracy theories are plaguing the world. Three young women spend New Years Eve in their apartment, dealing with independence and struggling to let go of their childhood. Thoughts turn from conspiracies to suspicion and the scenes grow darker. Will they all survive?

Come and see this intriguing play - you will remember Julia Henning of "New York, New York" fame and other wonderful performances at Waverley Homestead.

This exciting Fringe performance is attracting attention from many critics. Julia and friends are currently rehearsing in advance of the opening night on the 29th of February. STARS hope that members will support this event and encourage all to come to the first matinee on the 1st of March at 2.00 pm to support Julia in front of the Fringe critics.

Y2K will intrigue everyone.
