STARS Committee and members mark the loss of long time member Audrey McMurtrie, who passed away recently after a relatively short illness. A keen golfer and great STARS supporter will be sadly missed.

Saturday from 11.00 am to 3.00 pm until 25 June.

Professor Orlando returns to Waverley Homestead on Saturday 23 July. The Pied Piper and his friends will meet at the Show Hall at 10.00 am and walk up St Peters Terrace to the venue where he will entertain children and adults alike in his inimitable way. This is a free event and is STARS contribution to the Almond Blossom Festival which commences the following week

"Come into the Garden" the annual STARS Cancer Council Morning Tea was a wonderful success with a very happy group of ladies enjoying the home made scones jam and cream lovingly made by the host for the day Nancy Weisbrodt. Each year we have been successful in raising more money than the last and thanks to the generosity of this group, we have been able to raise a record amount of \$800 towards this cause. Cancer impacts on so many of our friends and loved ones and our contribution will be useful in fighting the insidious disease.

On Saturday 4 June STARS hosted the opening of "Whimsical Works" featuring eclectic pieces by Shari Russell, jewellery by Jo-Anne Woolfe and Artwork by Linda Macmillan. Friend of Shari, Rose Hood opened the exhibition and talked about the hard work that the artists put in to present such a show. A large group of friends and STARS members enjoyed the canapés and drinks. The exhibition will continue each
